Welcome from 2023 Annual Meeting Program Chairs

Dear WDS Members, Industry Partners, and Friends,

Welcome to the Women's Dermatologic Society (WDS) Annual Meeting & Luncheon in lively New Orleans, Louisiana!

Today, we celebrate the 50th Anniversary of Women's Dermatologic Society with our historic Golden Jubilee – honoring 50 years of mentoring, educating and supporting women dermatologists and celebrating our exciting future!

We are thrilled to welcome Ms. Gayle Benson, principal owner of the New Orleans Saints and the New Orleans Pelicans as our keynote speak. She will speak about navigating her career in a male-dominated field as the only woman owner of both an NFL and NBA franchise. We thank her for being here with us today.

Congratulations to our President, Dr. Mona Gohara, for her outstanding leadership over the past year, and welcome to our incoming President, Dr. Jennifer Lucas. We would like to thank our generous industry partners, and congratulate all of today's award winners. Additionally, a special thank you to the members of the Annual Meeting & Luncheon Planning Committee for all their hard work.

In closing, we want to express our appreciation to all of you for attending our luncheon and for continuing to support the WDS's mission!

Warm Regards,

Melissa Piliang, MD

Pearl E. Grimes, MD

President's Welcome Letter

The Women's Dermatologic Society (WDS) is 50 years old. What an honor it is to serve as President during this historic and celebratory moment.

It is an exceptionally proud feeling to reflect on the accomplishments of our beloved organization, built upon the vision of Dr. Wilma Bergfeld half a century ago. An organization formed to help ensure professional and personal success for every woman in dermatology. A forum where women and men empower and support each other without equivocation.

Continually working on these efforts are the brilliant, loyal WDS members who have lifted each other up by way of mentorship while also serving their communities throughout the years.

Our members have pioneered – many becoming the first female chairs of academic departments, presidents and officers of professional societies and leaders in dermatology – trailblazing a path for others to follow. Each of our lives has been in some way touched by the magic of WDS.

Friendships, though, are perhaps among the most extraordinary and precious WDS gifts. Strong, lifelong friendships.

Dr. Jean Bolognia literally gave me the shoes off her feet to help me cross a cobbly Washington, DC, street (there is a metaphor there). Across the country, Dr. Pearl Grimes opened her gorgeous Los Angeles home to me on numerous occasions, and Dr. Diane Berson shared her chic NYC office with me for the day. Generosity and love are the hallmarks of a WDS bond. Solid sisterhood. Not just crossing paths, but true connections with giants.

So here we are on the precipice of a fabulous 50 years. Our future will certainly be as formidable as our past. We won't stop our work toward achieving professional parity, personal success, and work-life balance. We won't stop helping women and their families in our communities. We won't stop our strong traditions of mentorship and networking. We won't stop creating unforgettable memories with our dear friends. We won't stop until none of us are held back.

Cheers to us! To all past, present, and future WDS members on this auspicious, memorable occasion.

Mona A. Gohara, MD
President, Women's Dermatologic Society

Message from Founding President

Congratulations to the past, present, and future members of the WDS for a wonderful and successful 50 years, with more to come!

What started with a few women, is now a large diverse group of women and men with national and international members. We have grown into a significant dermatological organization championing networking, leadership, mentorship, and community service, especially for women and families.

The WDS has impacted me beyond my expectations, and I am so proud to be a member. We have been true to our mission of connecting and empowering women to fulfill their greatest personal and professional potential. The passion, patience, perseverance, pride, achievement, and friendship that the members have demonstrated is phenomenal and inspiring. Our activities have made a difference and I laud the membership for their years of dedication and caring. The next 50 Years should be even better!

Wilma Fowler Bergfeld, MD
WDS Founder and First President

Keynote Speaker

Gayle Benson

Owner, New Orleans Saints and New Orleans Pelicans

About Our Speaker

Gayle Benson provides leadership for the New Orleans Saints and New Orleans Pelicans. She succeeds her late husband, Tom Benson, who passed away in March 2018, after serving as Owner of the Saints since 1985 and the Pelicans since 2012. The New Orleans native is an accomplished business professional and philanthropist with strong ties to the local community and is dedicated to contributing to the growth and enhancement of the Gulf South region.

With the Saints franchise under the guidance of Mr. and Mrs. Benson, the team has reached new heights since 2006; including posting a 168-106 record from 2006-21, featuring ten winning seasons, nine playoff berths, seven division titles, three NFC Championship appearances and the Super Bowl XLIV title.

Community investment and giving back have been hallmarks of Mr. and Mrs. Benson's ownership of the Saints and Pelicans. This tradition continues under Mrs. Benson's stewardship, sharing her late husband's vision and passion for helping others. She has further enriched the New Orleans community through her support to causes in the health and wellness, cancer care, education, arts and faith-based sectors.

Mrs. Benson has received many awards including the Dermot McGlinchey Lifetime Achievement Award from Tulane University (posthumously with her husband); the Sister Maris Stella "Women of Faith" Award from Xavier University; the Distinguished American Award from the Allstate Sugar Bowl Chapter of the National Football Foundation/College Football Hall of Fame; the Spark Plug Award from the Greater New Orleans Foundation; the Times-Picayune's Loving Cup Award for exemplary service to the community; and the Heart and Soul Award from the American Cancer Society Louisiana Chapter for constant support at the Gayle and Tom Benson Cancer Center on the Ochsner Medical Center Campus.

She serves on the editorial boards of JAMA Derm, Cosmetic Dermatology, Skin Appendages, and The Dermatologist, and is the author of numerous journal articles and chapters.

Personal Statement

It is such an honor to be awarded this amazing award in the name of Dr. Rose Hirschler. When an award like this is given, it lends one to review one's career in our beloved specialty of Dermatology. I can honestly say that I did not come into Dermatology with a plan, but over the years, I have been lucky enough to work with many dynamic people, both men and women. It has allowed me to participate in research, teaching, and clinical practice at the highest level possible. My goals are to continue to be a mentor to future dermatologists, a help and friend to those who practice with me, and someone who honors those who came before me.

Song: *Ain't No Mountain High Enough* by Marvin Gaye and Tammi Terrell

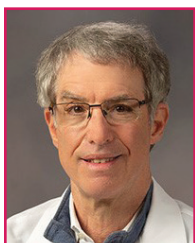

The Rose Hirschler Award is named in honor of Dr. Rose Hirschler, one of the first known female dermatologists in the United States. The award is presented annually by the WDS to physicians chosen for their significant contributions to medicine and dermatology and who, by their achievement, have served to enhance the role of women in the dermatologic specialty.

Mentor of the Year Award

Ashley Wysong, MD MS

Ashley Wysong, MD MS is a tenured Professor and UNMC Department of Dermatology Founding Chair and William W. Bruce MD Distinguished Chair of Dermatology. She is an accomplished leader, a nationally recognized Mohs micrographic surgeon, a cancer epidemiologist and translational skin cancer researcher, a skilled lecturer, and a dedicated mentor. Dr. Wysong is a highly capable physician leader with a

proven track record of achieving ambitious professional goals with strong executive capacity. She is entrepreneurial, growth-minded, and highly innovative. Her planning and decisions are data-driven, but with a healthy risk tolerance of a pioneering leader. She has a “start-up mentality” and an ability to think conceptually, create a plan, engage others, tackle diverse challenges, and achieve ambitious goals. Her drive, energy, and passion are consistently viewed as towering strengths of her leadership, and she leads by building broad support to enable progress toward a long-term vision. Colleagues regard her as a highly-skilled communicator that can command a room, clearly articulate her point of view, and inspire others while also building trust and genuine relationships with a wide array of stakeholders.

Personal Note/Statement of Thanks

As a dermatologist, Mohs surgeon, and cancer epidemiologist, I have successfully mentored numerous students including medical students, post-doctoral research fellows, resident physicians, MD-PhD trainees, and WDS mentees. As a translational scientist, I have an extensive background in translational and outcome-based research in high-risk squamous cell carcinoma and am widely published in medical literature. In my current position at the University of Nebraska Medical Center and with my formal education and training in translational and bench research, I will seek evidence-based training on mentoring skills yearly and will incorporate content on ethical conduct of research into my meetings with my trainees.

Volunteer of the Year Award

Kristie Hayes, MD

Dr. Kristie Hayes is an Associate Professor and the Director of Diversity for the Department of Dermatology at the University of Nebraska Medical Center (UNMC) in Omaha, NE. A graduate of the University of Nebraska College of Medicine, she completed her dermatology training at the University of Illinois at Chicago under the leadership of Dr. Lawrence Solomon. As

a member of the Academy for nearly three decades, she has enjoyed faculty appointments at the UNMC, the Omaha Veterans Affairs Medical Center, and the Children's Hospital and Medical Center of Nebraska; and with a decade spent with a wonderful multi-specialty group in private practice, the time has flown by. Career achievements include serving as an assistant dean for student and multicultural affairs, directing a student pathway program from high school through medical school, mentoring primary care residents and academic dermatologists, treating incarcerated individuals at a Chicago-area prison, and sustaining a lifelong commitment of service to those in need. Dr. Hayes is a proud supporter of public school education and serves on the administrative boards of local school and hospital foundations. She is the recipient of multiple awards for service to the community, teaching awards, and countless treasured hand-drawn thank you notes from grade school students she's worked with!

Personal Note/ Statement of Thanks

I have always believed that all peoples share a proud sense of community, a desire for peace in their land, and a hope for a better life and opportunities for their children. This was developed in my time living and working with wonderful families and performing volunteer work in Ghana, West Africa as a college student. I have always sought to treat every person, and every patient that I have met as a world citizen and fellow dweller in this peculiar time and space that we share, and that we are all created equal. We do not choose the place in which we were born, but we can choose to make the place that we are in better for everyone.

I try to live by these wise words of President Jimmy Carter, "...I do whatever I can, wherever I am, whenever I can, for as long as I can with whatever I have to try to make a difference".

Song: *Lovely Day* by Bill Withers

The Volunteer of the Year award has been established to recognize a WDS member who has made an outstanding contribution through community service. The rollout of this award at the 2014 Annual Luncheon coincided with the tenth anniversary of WDS community outreach programs, and this now annual award will continue to honor all those who support WDS and our service outreaches.

President's Award

Jean Bolognia, MD

Jean Bolognia, MD, is Professor of Dermatology at the Yale University School of Medicine. She has served as President or Vice-President of multiple professional organizations including the Women's Dermatologic Society. Jean is the senior editor of the textbook Dermatology.

Personal Statement

The WDS has been part of my life for decades. It allowed me to establish friendships with women from across the continent and around the world. I have so many great memories. Happy 50th Anniversary!

She is the Founder of the non-profit organization, the Coalition for At-Risk Restoring Youth (CARRY). Founded in 2006, CARRY is dedicated to improving the lives of at-risk and foster care youth through a variety of innovative programs including pro bono dermatology clinics and other innovative programs that enhance self-esteem, self-worth, self-sufficiency, and long term success. The organization serves more than 5,000 youth in the Los Angeles area.

Personal Statement

I am deeply honored to be the recipient of this year’s Presidents Award from Dr. Mona Gohara and the Women’s Dermatologic Society—an organization I truly love and cherish. It has truly been my profound joy to work with Dr. Gohara to support her amazing year as president of the WDS. What brings true joy to the practice of medicine and science is giving back and in making a meaningful difference in the lives of others. I thank Dr. Gohara for this special honor.

She is sought after for opinions on cosmetic formulations and is regularly invited as a featured speaker in the United States and overseas.

Prior to starting her own private practice, Dr. Mariwalla was the Director of Cutaneous Oncology at St. Luke's – Roosevelt and Beth Israel Medical Centers in New York. Dr. Mariwalla has been recognized for extensive work in the area of dermatologic education and is considered an expert injector of fillers and neuromodulators. She has written two editions of the widely used book, *Primer in Dermatologic Surgery*, which is highly regarded by residents and seasoned dermatologic surgeons. Most recently, she authored the *Cosmeceutical Compendium*, an encyclopedic guide on ingredients commonly used in cosmetic formulations. It was received with rave reviews by both physicians and beauty editors and is constantly updated. Most recently, Dr. Mariwalla released her fourth book entitled *The Business of Dermatology*.

In addition to authoring several books, Dr. Mariwalla is editor of "Surgical Pearls" for the *Journal of the American Academy of Dermatology* and is Secretary of the American Society for Dermatologic Surgery. She has served on the Board of Directors of the Women's Dermatologic Society in the past and is a three-time recipient of the ASDS President's Award for outstanding contributions to the field of dermatologic surgery. Most recently, Dr. Mariwalla received the prestigious honor of "Iron Surgeon" at the 2019 ASDS meeting.

On the national and international stage, Dr. Mariwalla is noted for sharing her injection techniques during live demonstrations at the AAD annual meetings and is prolific in her writing and speaking engagements at home and abroad. Her private practice has been nominated for the "Best of Long Island," since its inception in 2012. She has also been recognized as a "Super Doctor" and "Top Doctor" by Castle Connolly for the last three years. Dr. Mariwalla earned her degree in medicine at the Yale School of Medicine where she also completed her dermatology residency and fellowship training.

When not working, you can find Dr. Mariwalla building LEGO® with her three boys and trying to perfect pizza on the BBQ alongside her husband Kabir.

Personal Statement

It feels like yesterday when Dr. Jean Bologna was recommending I join the Women's Dermatologic Society. Little did I know the effect it would have on me. The WDS gave me the opportunity to work with Dr. Fran Cook-Bolden, which gave me my first taste of mentorship. That month showed me the power of women helping women. They supported me to attend the World Congress of Dermatology to present my work on hair care in skin of color populations which led me to establish global friendships with colleagues practicing abroad. From there, I was given the opportunity to be a resident representative to the Board of Directors, and I got to see how the organization works and its passion. As the Co-Chair of the Play Safe in the Sun campaign, I saw the impact that the WDS can have on our communities. The organization has inspired me as a leader, brought beautiful and strong women into my life and has allowed me to mentor and advise those who follow me. It has been an honor to be on the journey of friendship, leadership, and mentorship with the WDS.

Thank you, WDS, for the impact this organization has had on my life and for introducing me to wonderful colleagues that I can call lifelong friends. Turning 50 never looked so good!

Song: *Desi Girl*

The President's Award is given at the discretion of the President of the WDS to an individual, or individuals, of her choosing. The awardee is an individual, or individuals, who supported the President in an extraordinary way during her term to help make the Society a better organization.
