

WDS Foundation Goals

The WDS Foundation serves to strengthen the key objectives of the WDS mission statement which are:

- Foster, promote, and support women's issues in dermatology;
- Identify, train, and recognize women leaders in dermatology;
- Provide a forum for developing relationships through mentoring and building of coalitions;
- Provide a forum for the exchange of ideas and research relevant to women's issues;
- Promote the highest possible standards of ethics, research, patient care, patient education, and public education.

It will also provide more convenient and abundant methods of donating. For example, members may donate to honor a colleague or loved one or as a part of wise estate and tax planning. WDS Foundations is a 501(c)(3) organization and donations are 100% tax deductible. The ultimate impact cannot be measured; rather, it will be demonstrated in the vitality of the women who benefit from WDS programs.
