MESSAGE FROM THE LEGACY COUNCIL CHAIR

The Women’s Dermatologic Society (WDS) Legacy Fund had a successful year in 2016. We are thankful for the continued support from our committed membership, generous donors, and industry partners. In 2016 the WDS Legacy Fund has grown to over half-million dollars bringing the council to one-fourth its total goal to build a corpus of $2,000,000 that will provide a long-term reserve to ensure the financial stability of the WDS.

The WDS Legacy Council recently established the Daisy Orleman Robinson Society for individuals who wish to donate through planned giving, and because of the increasing support of the Legacy Fund also added the Rose Hirschler Circle for those individuals who have donated $50,000 or more and the Legacy Circle to recognize those who have donated every year since 2010.

The highlight of 2016 was the 4th Annual Legacy Celebration honoring Dr. Jean Bolognia at the National Museum of Women in the Arts in Washington, DC on March 4, 2016. Over 300 people gathered from around the world to “Join Jean” and celebration her legacy. The Celebration brought in over $188,000 from our generous Industry Partners, VIP Supporters, and Individual Ticket Sales.

We look forward to 2017, and thank our members, donors, and industry partners for continually supporting the WDS Legacy Fund and it’s mission.

The mission of the Legacy Council is to build and sustain an endowment, known as the Legacy Fund, to ensure the long-term financial stability of the WDS.
A LOOK BACK AT 2016

NEW DONOR RECOGNITION LEVELS ESTABLISHED IN 2016

- **DAISY ORLEMAN ROBINSON SOCIETY**
  To recognize Daisy Orleman Robinson as a pioneer for women pursuing a career in dermatology and acknowledge those who share in the WDS mission, the WDS Legacy Council has established the Daisy Orleman Robinson Society to honor individuals who have made a legacy gift by including the WDS Legacy Fund in their estate plan.

- **ROSE HIRSCHLER CIRCLE**
  To recognize Dr. Rose Hirschler as another one of the first known female dermatologists in the United States the Rose Hirschler Circle has been established to recognize individuals who have donated $50,000 and above to the WDS Legacy Fund.

- **LEGACY CIRCLE**
  The Legacy Circle recognizes those individuals who have donated to the WDS Legacy Fund every year since 2010.

**HISTORY AND GUIDELINES:**

- The Women’s Dermatologic Society Legacy Fund was founded and endowed in 2003 for the purpose of philanthropic support of the WDS.
- The Legacy Council targeted corpus is $2,000,000 from individual and corporate donors.
- The WDS Legacy Fund will be held in a separate account and will follow the Funds Investment Policy that is currently held by Capital Advantage and approved by the Legacy Council.
- The WDS Legacy Fund will follow the defined WDS Legacy Fund Investment Policy that is currently handled by Capital Advantage and approved by The Legacy Council.
- The WDS Legacy Fund has general parameters of disbursement when the initial $2 million corpus goal amount is reached. When the goal is reached the WDS Legacy Council in conjunction with the Board of Directors will choose methods of disbursement that ensure the future of the WDS and fulfillment of the WDS’s mission.
- Donors to the Legacy Fund or to the Operating Fund of the Legacy Council will have a cumulative donor amount and will differentiated by the “Rose Color”.
- Staff, WDS leadership, and Legacy Council members will make sure that all marketing information from WDS will have information on donating to the Legacy Fund and to the Legacy Council Operating Costs, noting that these will be cumulative donor amounts.
- Donors will be recognized with a letter. Letters also will be sent to the honored person (e.g. honored colleague) and person’s family that is being remembered (e.g. In Memory).
- Since 2013, the WDS has held the Legacy Celebration to highlight the success and accomplishments of the WDS, while raising funds to secure our future. Each year the WDS honors one of our members who has been a true advocate and leader to both the WDS and the field of Dermatology. The following WDS Members have been honored at past Legacy Celebrations.
  - 2013- WDS’s Founder and First President; Dr. Wilma Fowler Bergfeld
  - 2014- Dr. Tina Alster
  - 2015- Dr. Rex & Johnnie Amonette & Family
  - 2016- Dr. Jean Bolognia
  - 2017- Dr. Susan Weinkle
Over 300 guests gathered from around the world to “Join Jean” in Washington DC at the National Museum of Women in the Arts to celebrate and honor Dr. Jean Bolognia for her extensive and generous contributions to the field of dermatology and to support the WDS Legacy Fund.

Proceeds from the event are donated to the Legacy Fund, the endowment which provides a stable future for the WDS.

"She has had a wonderful career, wonderful leadership positions, and she has left a great big impression on all the dermatologists across the world!"
