MESSAGE FROM THE LEGACY COUNCIL CHAIR

The Women’s Dermatologic Society (WDS) Legacy Fund had a successful year in 2017. We are thankful for the continued support from our committed membership, generous donors, and industry partners. In 2017 the WDS Legacy Fund has grown to over a half-million dollars bringing the council to one-fourth its total goal to build a corpus of $2,000,000 that will provide a long-term reserve to ensure the financial stability of the WDS.

The WDS Legacy Council recently established the Daisy Orleman Robinson Society for individuals who wish to donate through planned giving. Due to the increasing support of the Legacy the council also added the Rose Hirschler Circle for individuals who have donated $50,000 or more. The Legacy Circle has also been established for individuals making a multi-year commitment equaling $25,000 or more.

The highlight of 2017 was the 5th Annual Legacy Celebration honoring Dr. Susan H. Weinkle at the JW Marriott in Orlando, Florida on March 3, 2017. Over 300 people gathered to celebrate and honor Dr. Weinkle. The Celebration brought in over $233,000 from our generous industry partners, VIP supporters, and individual ticket sales.

We look forward to 2018, and thank our members, donors, and industry partners for continually supporting the WDS Legacy Fund and its mission.

LEGACY COUNCIL MISSION STATEMENT

The mission of the Legacy Council is to build and sustain an endowment, known as the Legacy Fund, to ensure the long-term financial stability of the WDS.
A LOOK BACK AT 2017

HISTORY AND GUIDELINES:

- The Women’s Dermatologic Society Legacy Fund was founded and endowed in 2003 for the purpose of philanthropic support of the WDS.
- The Legacy Councils targeted corpus is $2,000,000.
- The WDS Legacy Fund will follow the defined WDS Legacy Fund Investment Policy that is currently handled by Raffa Wealth Management, and approved by The Legacy Council and the WDS Board of Directors.
- The WDS Legacy Fund has general parameters of disbursement when the initial $2 million corpus goal amount is reached. When the goal is reached the WDS Legacy Council, in conjunction with the Board of Directors, will choose methods of disbursement that ensure the future of the WDS and fulfillment of the WDS’s missions.
- Donors for the Legacy Fund will have a cumulative donor amount and will be differentiated by the “Rose Color”.
- Staff, WDS Leadership, and Legacy Council Members will make sure that all marketing information from WDS will have information on donating to the Legacy Fund and to the Legacy Council Operating Costs, noting that these will be cumulative donor amounts.
- Donors will be recognized with a letter. Also, letters will be sent to the honored person (e.g. honored colleague) and person’s family that is being remembered (e.g. In Memory).
- Since 2013 the WDS has held the Legacy Celebration to highlight the success and accomplishments of the WDS while raising funds to secure our future. Each year the WDS honors one of our members who has been a true advocate and leader to both the WDS and the field of Dermatology. The following WDS Members have been honored at past Legacy Celebrations:
  - 2013- WDS’s Founder and first President; Dr. Wilma Fowler Bergfeld
  - 2014- Dr. Tina Alster
  - 2015- Dr. Rex & Johnnie Amonette & Family
  - 2016- Dr. Jean Bolognia

“We selected you as our 2017 Legacy because you are a shining example of all the WDS does. Your academic and leadership achievements are so impressive and everyone listens anytime you speak, just to learn from one of the Greats. But what we find so special about you, Susan, is that your kindness, energy, glamour, beauty, enthusiasm, and positivity only strengthen those around you. You have chosen to make mentoring and networking cornerstones of your relationships with others, and this makes you a Legacy at WDS. You needed no further effort to be a legend in our field. But you continually choose to help others and this makes your kindness, your energy, and your spirit legendary as well. Thank you for all that you do!”
