

WDS PLAY SAFE IN THE SUN

Cattlemen's Ball of Nebraska – June 4-5, 2021
Columbus, Nebraska

The award winning WDS Play Safe in the Sun program works at curbing the incidence of skin cancer by providing free cancer screenings, sun damage assessments, sun safety education & materials, and complimentary sunscreen samples to the public!

ABOUT THE EVENT

The Play Safe in the Sun event at the Cattlemen's Ball of Nebraska on Friday, June 4, 2021 and Saturday June 5, 2021 was a huge success! WDS member, Ashley Wysong, MD, MS and her team from the University of Nebraska Medical Center volunteered their time to provide individuals with FREE skincare samples and education.

Our volunteers distributed over 1000 sunscreen samples, along with UV detecting bracelets, and pamphlets about the importance of sun safety.
