The Play Safe in the Sun event at the Cattlemen's Ball of Nebraska on Saturday, June 2, 2018 was a huge success! WDS member, Ashley Wysong, MD and her team from the University of Nebraska Medical Center volunteered their time to provide 40 individuals with FREE skin cancer screenings!

In addition to the screenings our volunteers distributed over 500 sunscreen samples, along with UV detecting bracelets, and pamphlets about the importance of sun safety.
