The Play Safe in the Sun event at the Chicago Triathlon in Chicago, IL on Saturday and Sunday, August 26-27, 2023, was a huge success! Thirty WDS members, residents, and medical students volunteered their time to provide over 140 individuals with FREE skin cancer screenings!

In addition to the screenings our volunteers distributed over 6,000 La Roche-Posay sunscreen samples, along with UV detecting bracelets, and pamphlets about the importance of sun safety.
