The award winning WDS Play Safe in the Sun program works at curbing the incidence of skin cancer by providing sun safety education & materials, and complimentary sunscreen samples to the public!

ABOUT THE EVENT

The Play Safe in the Sun event at the Lung Force Walk on Saturday, May 13, 2023 was a huge success! WDS member, Dr. Emily Lebowitz, and other volunteers, including Dr. Tyler Wills, Dr. Sreehaas Digumarthi, Dr. Huongly Do, Dr. Mei Hong Liu, and Dr. Carolina Steinberg, helped to provide free samples and skincare education to the New York Lung Force Walk attendees.

Our volunteers distributed sunscreen samples, UV detecting bracelets, UV patches and pamphlets about the importance of sun safety to over 600 people!
